

CampusDocs Named ABBYY Certified Partner & Reseller

CampusDocs a leading provider in higher education to partner with ABBYY.

Partnership expands solution options and brings industry leading technology to CampusDocs users

HONOLULU, HAWAII - (September 24, 2009) CampusDocs, Inc., a leading provider of hosted document management solutions, today announced that it has been selected to join ABBYY's certified partner reseller program. ABBYY Inc. is a leading provider of document recognition, data capture and linguistic software.

CampusDocs provides colleges and universities nationwide with web-based, hosted document management services specifically designed for higher education. The company's browser-based software platform significantly reduces the time and expense of dealing with massive volumes of paper documents associated with admissions, registration, financial aid, and student records.

While ABBYY technology strengthens a number of technology solutions in the higher education space, this agreement with CampusDocs marks the formal partnership with a company exclusively focused in that space. The agreement will mean an increase in solutions options for CampusDocs users.

"If you look under the hood of most of the imaging and capture solutions in the marketplace today, you'll see ABBYY technology there" said Kevin Awaya, President, CampusDocs. "As one of the leading providers exclusively focused on higher education, we are excited to partner with ABBYY, and look forward to bringing industry leading technology to our users."

ABBYY's products include the ABBYY FineReader line of optical character recognition (OCR) applications, ABBYY FlexiCapture line of data capture solutions, ABBYY Lingvo dictionary software, and development tools. For the third year in a row, ABBYY was recognized as one of the "100 Companies that Matter in Knowledge Management," by KMWorld, a leading information provider serving the knowledge, document and content management systems market.

"CampusDocs' emphasis on high performance and cost-effective technology solutions made the match between CampusDocs and ABBYY a perfect fit" said Steve Kincade, VP Channels, North America, -, ABBYY USA. "CampusDocs leadership position in the higher education marketplace allows us to work together to expand reach into an important vertical for ABBYY.

About CampusDocs, Inc.

Headquartered in Honolulu, Hawaii, CampusDocs offers higher education institutions a web-based, fully-hosted document management service designed specifically to meet their needs. CampusDocs complete feature set and its unique pricing model provides a cost effective alternative to in-house, resource intensive software solutions. CampusDocs provides its service on an enterprise-class infrastructure with multiple data centers spread across the continental US. Backed by an experienced professional services team, CampusDocs enables educational institutions to automate the routing, review and archival of imaged documents.
