

CampusDocs To Attend 2009 CUPA-HR National Conference *National Conference & Expo takes place October 19-21 in Las Vegas*

HONOLULU, HAWAII - (October 2, 2009) CampusDocs, Inc., a leading provider of hosted document management solutions for higher education, announced today that it will attend the upcoming 2009 College and University Professional Association for Human Resources (CUPA-HR) National Conference and Expo. The conference will be held in Las Vegas, Nevada beginning October 19th and continuing through October 21st, 2009. CampusDocs will be exhibiting at booth 422.

CampusDocs provides colleges and universities nationwide with web-based, hosted document management services specifically designed for higher education. The company's browser-based software platform significantly reduces the time and expense of processing and archiving documents and the hosted delivery model frees departments from the need to procure expensive IT equipment and become application experts.

"Conferences such as the CUPA-HR National Conference offers exhibitors the opportunity to share what we've learned about streamlining HR departments, and to in turn learn from the attendees how we can continue to improve and enhance our services and our solution," said Kevin Awaya, President, CampusDocs. "We are proud to be participating in our fourth straight CUPA-HR conference and look forward to meeting with the conference attendees."

The CUPA-HR National Conference presents opportunities to network and collaborate with peers, forge valuable relationships and partnerships, and participate in professional discussions. For additional information about the event please visit:

About CUPA-HR

Founded in 1946, CUPA-HR provides global leadership to the higher education human resource profession and the higher education community by offering essential knowledge, resources and connections to enhance individual and institutional capacity and competitiveness. Our membership is institution-based and includes 90 percent of all U.S. doctoral institutions, 70 percent of all master's institutions, 50 percent of all bachelor's institutions and 500 community colleges and specialized institutions. We also serve other organizations that are affiliated with higher education. We provide vital resources to more than 11,000 higher education HR professionals at more than 1,700 institutions.

About CampusDocs, Inc.

Headquartered in Honolulu, Hawaii, CampusDocs offers higher education institutions a web-based, fully-hosted document management service designed specifically to meet their needs. CampusDocs complete feature set and its unique pricing model provides a cost effective alternative to in-house, resource intensive software solutions. CampusDocs provides its service on an enterprise-class infrastructure with multiple data centers spread across the continental US. Backed by an experienced professional services team, CampusDocs enables educational institutions to automate the routing, review and archival of imaged documents.
